Green Science

Satisfy your students' scientific curiosity with these 4 workshops featuring green science.

Energenie

Be the first to experience an innovative LES presented by Frédéric's University of Sherbrooke students. It will take your students on a journey to discover how to use renewable energy sources to build a solar cooker!

Games and Songs with Mel Shantz

Join us for a fun-filled afternoon featuring songs and games with Mel Shantz. You'll return to your classrooms energized and equipped with lots of new songs to teach!
